VATIKA GROUP STEPS INTO PUNE

Pune (Voice News Service):- Vatika Group, the leading real estate and Hospitality Company in North India, has today announced its expansion into Pune with the launch of its first Business Centre, in the upcoming IT City. This marks the company's plans for expanding across India and the group will be announcing more such projects in the near future. Close to the heels of this launch, the group plans to launch another such business centre in Hyderabad.

Speaking on the occasion Mr. Gaurav Bhalla, Director Marketing and Operations, Vatika Group said, "With India's fast pace movement towards being largest global economy; India needs to be equipped with the technological infrastructure to support the pace". "With immense demand for such infrastructure in India, we seek to be the first movers in this realty segment and lead Infrastructure in India to the higher levels" he added.
